

Action Required by GP on receiving notification of Child Was Not Brought to Hospital appointment

GP practice receives notification of **Child Was Not Brought to Hospital appointment** and **no further action by Hospital or detailing action taken by the hospital.**

Record as Was Not Brought on clinical system and arrange Assessment by GP

GP reviews records and makes assessment to consider

- **Potential impact of WNB on health and well-being**
- **Any Safeguarding concerns? (Use CHILDSAFE Trigger tool if helpful)**
- **Any issues impacting on parenting ability of Carers?**

No Significant risk of harm

- ✓ **Re-refer if necessary.**
- ✓ **Contact parents by letter/telephone to inform of plan**
- ✓ **Document decision**
- ✓ **Take to Safeguarding Meeting if required
(to follow up with H/V or School Nurse)**

Significant Risk of harm

- ✓ **Discuss soon with H/V or School Nurse /Social Worker**
- ✓ **Use telephone to contact parents**
- ✓ **Follow local Durham or Darlington Safeguarding referral procedures**
- ✓ **Record if any actions are being taken by Hospital**

Communicate with hospital clinician if appropriate

Set a date to check up on actions

Action Required by GP on recording Child Was Not Brought to GP or other Surgery appointment

- **Record as Was Not Brought on Clinical System**
- **Responsible GP reviews records to assess. Previous history of missed appointments? Reasons given for non - attendance?**
