

Welcome to the 2021 Training Programme, covering training sessions for the period 1 June to 31 December 2021.

The Partnership is committed to delivering a high-quality inter-agency training programme. The COVID-19 pandemic has greatly impacted on the ability to provide face to face safeguarding training and as a result we have had to adapt our training delivery methods. All our training sessions up to 31 December 2021 will be delivered virtually, or through the provision of eLearning opportunities. We will continue to monitor throughout 2021 in line with government guidelines and any changes will be communicated at the earliest opportunity.

Last year the safeguarding training sessions were very well attended, a total of almost 1200 new delegates have now accessed training delivered via TEAMS across all organisations. There has been a significant increase in people accessing the eLearning modules, and the Level 1 Awareness courses for children and adults has been completed by almost 600 people from all agencies.

We continue to be grateful for your patience, understanding and support, and welcome any comments and/or feedback on the training offered. The Darlington Safeguarding Partnership's website will be updated with any new information relevant to future training; <https://darlington-safeguarding-partnership.co.uk/>

Multi-agency Training Charging Policy

Introduction

The Safeguarding Partnerships¹ in Darlington aspire to have excellent safeguarding practice across all professionals (employed or voluntary) who work with children, young people, adults at risk and their families.

To provide the breadth of safeguarding training that is necessary which is informed through the annual training needs analysis, delegate feedback and through the findings of the training annual report, we do have to apply some charges.

Please ensure that you are aware of our attendance and cancellation charges below prior to booking on our courses.

Booking on a course and allocation of places

Prior to booking on a Darlington Safeguarding Partnership's course, all employees and volunteers must ensure they have sought approval from their Line Manager.

Places are allocated on first come, first serve basis. However, there may be occasions when we have to limited agency attendance to ensure full multi-agency engagement. This is to ensure a diverse group of individuals/professionals attend and participate in each course.

Formal confirmation is sent (via email) within 3 working days and joining instructions/course overviews are sent 7-14 days prior to the course date. If you book this course for a colleague/team member, please ensure you pass on the dates and joining instructions/course overviews to the named delegate ahead of the training date.

(Delegates are advised to make a note of the date of the course they have applied for in their calendar/diaries as soon as they receive confirmation, to ensure they are available to attend the course).

To book a place please contact DSP.Training@darlington.gov.uk
